Q.—51. Will the Government be pleased to state:—

(*a*) Whether remission has been sanctioned for 1928-29 to holders of land under Thonnur Tank owing to non-supply of water?

(*b*) What is the total amount remitted?

(*c*) Is Government not aware of the impoverished condition of the raiyats who have been put to much difficulty year after year?

(*d*) During the past thirty years, in what years have wet crops been raised and in what years dry crops?

(*e*) Is it not the duty of Government to see that the raiyats from whom wet assessment has been recovered are helped to raise wet crops?

(*f*) Is the Government contemplating to sanction the project for improving the tank which, Government said, was under consideration?

(*g*) Is it reasonable for the Department of Public Works to ask the holders of the 800 acres under the tank to pay contribution at the rate of Rs. 150 per acre for the project costing Rs. 1,20,000?

(*h*) Has not the Revenue Commissioner recommended that the project be sanctioned after recovering a contribution of Rs. 40,000 at Rs. 50 per acre?

(*i*) As there is every hope of increasing the *atchkat* by about 500 acres in addition to the 800 acres, is it not possible to have the project surveyed?

(*j*) Is it not the duty of the Government to ensure sufficient supply of water at an early date?
